

German Centre for Higher Education Research
and Science Studies

DZHW

Research Profile...

- ▶ Transition to Higher Education
- ▶ Social Situation of Students
- ▶ Educational Processes in the Higher Education System
- ▶ Professional and Academic Careers

- ▶ Governance at Higher Education Level
- ▶ Governance of Continuing Higher Education
- ▶ Benchmarking in Higher Education
- ▶ Comparison of equipment, costs and performance

EDUCATIONAL CAREERS AND GRADUATE EMPLOYMENT

Head:
Prof. Dr. Sandra Buchholz

RESEARCH SYSTEM AND SCIENCE DYNAMICS

Head:
Prof. Dr. Stefan Hornbostel

- ▶ Assessment, Indicators, Bibliometrics
- ▶ Self-Regulation and Funding of the Research System
- ▶ Self-Recruitment and Careers

GOVERNANCE IN HIGHER EDUCATION AND SCIENCE

Acting Head:
PD Dr. Bernd Kleimann

RESEARCH INFRA- STRUCTURE AND METHODS

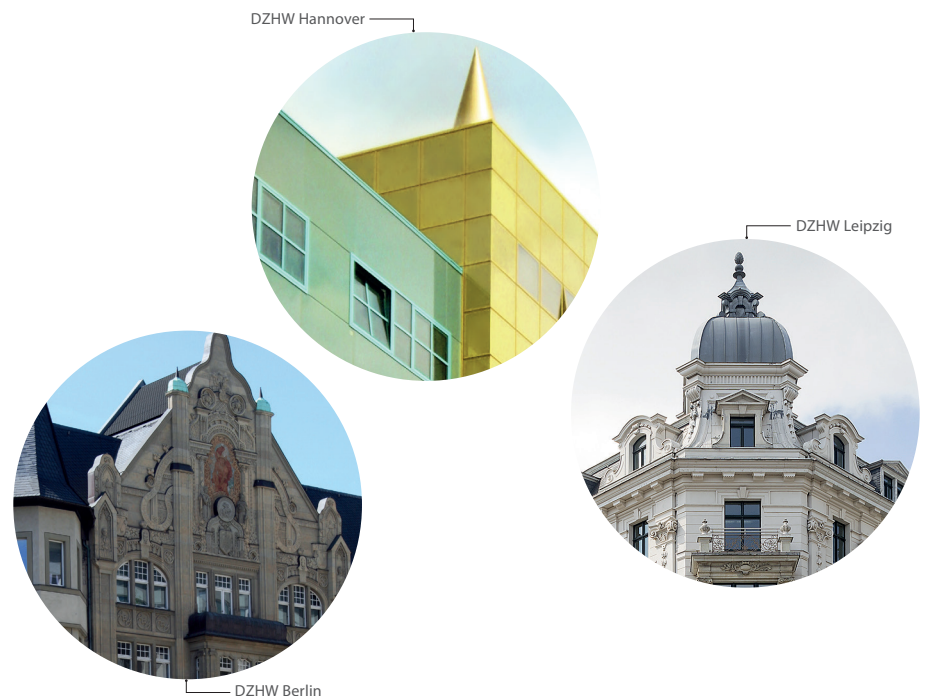

Head:
Prof. Dr. Monika
Jungbauer-Gans

- ▶ Research Data Centre (fdz.DZHW)
- ▶ Data Banks
- ▶ Online Survey System
- ▶ Data Collection Services
- ▶ Research Methods

Mission Statement...

The [German Centre for Higher Education Research and Science Studies](#) (Deutsches Zentrum für Hochschul- und Wissenschaftsforschung, DZHW)

- ▶ operates [interdisciplinary application-oriented empirical](#) research of the higher education and science system and observes this in its overall context.
- ▶ understands its role as a [national and international centre of competence](#) in this field of research.
- ▶ cultivates the [scientific exchange with other academics](#) in this field of research and in practice.
- ▶ offers expert consulting and services for higher education politics, [data analysis and assessment for the scientific community](#) as well as for higher education and research institutes.
- ▶ applies [high-quality and up-to-date research methods](#).

Areas of Professional Competence...

RESEARCH SERVICE

Research Data Centre (FDZ)

Panel and Cross-sectional Studies

Competence Centre for Bibliometrics

Publications

Helpdesk for the Research Core Dataset

Teaching

ICE Data Portal

Qualifying Young Academics

Comparison of equipment, costs and performance

Expertise

Educational Monitoring and Reporting

Cooperations...

- ▶ Cooperation with the [University Hannover](#), the [Humboldt University Berlin](#) and the [University of Kassel](#). The heads of department are also professors at one of these universities.

- ▶ Participation in the [Leibniz Center for Science and Society \(LCSS\)](#) together with 6 professors at the University of Hannover. A graduation school is a part of the Center.

UNIKASSEL
VERSITÄT

- ▶ There are joint degree courses with the University of Hannover: the [master degree course "Science and Society"](#); with the Humboldt University Berlin: the [master degree course "Science Studies"](#).

- ▶ Member of the [Leibniz Education Research Network \(LERN\)](#) (Leibniz-Forschungsverbund Bildungspotentiale), which consists of several educational research institutes.
